

Image of Pride Awards Program

The City of Hampton seeks to offer public recognition and appreciation to Hampton property owners, who consistently demonstrate the model example of exceptional exterior maintenance and/or improvement of their property. It is hoped this recognition of their efforts will inspire others in Hampton to achieve their own *Image of Pride*.

Nomination of candidate(s) for this special recognition will be accepted at City Hall beginning in April of each year for those to be presented awards at the May, June, July, August,

September and October City Council regular sessions.
